At 39c and 50c per yard, we count lines of Dress Goods by the solid cases—not jumbled selections, but each line—each piece has first been subjected to a rigid and critical examination.

Covert Cloths are here too, in plain, shaded and novelty effects—50c per yard up. Fine Silk and Wool Novelty Suitings also at 50c per yard—look like the dollar kind. Think of it! The finest French Cashmeres in ten shades now 59c a yard—were formerly \$1 00. Fine All-Wool Diagonal Suitings at 39c a yard—former price 85c.

Fashion says Black Dresses with colored accessories will also be very prominent. A large, well-filled section devoted to Black Goods.

F. S. Dalzell's Sudden Death.

The many friends of Francis A. Dalzell will be pained to read in another column of this morning's paper the announcement of his death. He was able to be about as usual on Saturday, though he had been ailing for some time. His ailment was acute gastric fever. He was 23 years old, a son of Robert H. Dalzell and a nephew of Mr. James Crangle. The arrangements for his funeral have not been completed.

The Pleasant Valley Election.

The Pleasant Valley election took place Saturday and resulted in the election of the following:

Mayor, J. R. Acker.
 Clerk, W. W. Gilchrist.
 Councilmen, Charles P. Hamilton, S. S. Bloch, W. D. Johnson, John Piarr and Charles Selbert.

Of the thirty-five legal voters in the corporation twenty-eight voted in Saturday's election. Council will meet soon and a marshal will be elected.

Mercantile Club Chartered.

A certificate of incorporation was issued Saturday by the secretary of state to the Mercantile Club of this city, which has been chartered for social and literary purposes. The shares of capital stock are \$25 each and authorized capital \$25,000. The following business men of this city are the incorporators: E. Buckman, J. Reizenstein, Ralph Kline, L. S. Good and Morris Steinfeld. The club will occupy the Mercantile hall on Market street and have a preliminary meeting next Friday night.

Held for Court.

In Squire Gillespy's court Saturday the trespass cases brought by Elijah Marling were all dismissed, with the exception of the one against David Martin, who was required to give bond to the court. A new warrant of a similar nature was issued for Annie Landmeyer.

Rhea Gray and Artie Taylor, the first charged with keeping a house of ill fame, and the other with being an inmate of the house, waived an examination and gave bond for court. Lou Taylor, charged with being an inmate, stood trial, and was also held to court.

Postponed Three Times.

Saturday Mrs. Mary Ratcliff, nee Cotts, was arraigned in police court charged with behavior annoying to citizens. The case was postponed till 7 p. m. on account of the absence of a witness, and at 7 was again postponed until 9 p. m. At that hour Col. Arnett, attorney for the defense, wanted to again postpone the case, but the mayor heard it so far as possible and then adjourned it till this morning. The evidence showed the woman had gone to the home of a young man and behaved in an unseemly way.

In Police Circles.

Lieutenant Lukins arrested Mag Kays for disorderly conduct Saturday evening.

James Dugan, Thomas Cassidy, Patsy Williams and "Plunger" Condry were arrested by Officer Carney, charged with vagrancy. These men and others have been making a nightly landing place of the vacant lot at the corner of Market and Sixteenth streets, and had gotten to be such a nuisance to the neighbors that almost constant complaints had been made.

Henry Clark was arrested yesterday by Officer Driller as a plain drunk.

The Teachers' Institute.

The Teachers' Institute for the Wheeling district will open its five days' session this morning in the Y. M. C. A. hall. Attendance is compulsory on the teachers of the city, and doubtless many other people will attend.

Quarles, of Washington and Lee university, of Lexington, Va., in psychology. None of the instructors will confine themselves exclusively to the subjects named.

The Pan-Handle Dyeing establishment, owned by John Heilmoler, at No. 1431 Market street, is the best equipped house of its kind in Wheeling. In addition to the dyeing and cleaning departments a corps of first-class tailors are employed, who can do repairing as neat as it is possible. Clothes and ladies' garments, cleaned or dyed, can be made to look like new. Satisfaction guaranteed.

THE LABOR COMMITTEE.

A Meeting for the Purpose of
 Settling in Connection With

RECENT LABOR DAY CELEBRATION

Held Yesterday Afternoon—The Various Sub-Committees Make Partial Reports, but a Detailed Financial Statement Will Not Be Made Until Next Sunday.

The general labor day committee of the Ohio Valley Trades and Labor Assembly, that had general management and control of the recent and very successful celebration of Labor Day in Wheeling, held a meeting at the assembly's quarters yesterday afternoon, for the purpose of closing up its affairs so that a report on the financial side of the affair could be made to the assembly at its next meeting.

The meeting was presided over by Mr. J. H. Bartt in the absence of President Robertson, of the assembly, and Secretary Saulsbury was at his desk.

Several of the sub-committees made partial reports, but matters are not yet in shape for a complete and formal report to the assembly. All bills will be in this week and it is expected that the report can be made to the assembly next Sunday. Enough was disclosed yesterday, however, to make it a certainty that the recent celebration, taking into consideration all of the conditions of the times, was the most successful in the history of the assembly.

Resolutions were introduced thanking Mayor Caldwell and Chief of Police McNichol for the interest each had taken in the celebration. The resolutions were referred to the assembly with a recommendation that they be passed upon favorably. The general committee was particularly gratified that the grand stand attractions had been so good. For the first time in the history of the celebrations the admissions to the grand stand more than balanced the money put into premiums and prizes. Nearly 1,800 persons bought grand stand admissions.

THE BROWN OBSEQUIES.

They Took Place at St. Matthew's Church Yesterday Afternoon.

The funeral of the late Alfred Brown, whose death has already been chronicled, took place yesterday afternoon from St. Matthew's P. E. church, in this city, Rev. Dr. R. Rush Swope officiating. Wheeling Commandery No. 1, Knights Templar, of which the deceased was a member, had charge of the obsequies. At the church Dr. Swope preached an eloquent sermon, which greatly affected the large concourse of friends who were present. After the services by Dr. Swope, Past Grand Commander Hugh Sterling, of Wheeling Commandery, read the Knights Templar funeral service.

After the services the body was taken to the deceased's old home at Sherrard in Marshall county where the interment took place. The commandery under Eminent Commander Charles H. Ahrens led, and the pall-bearers, also members of the Masonic bodies, were as follows: Edward E. Baldwin, Joseph Hedges, T. C. Stephenson, Clay Dean, E. A. Hobbs, Nelson Noble, James B. McKee and Henry E. Robb. Meister's band accompanied the knights.

The Funeral To-day.

The funeral of the late Charles L. Davis will take place this afternoon from the Second Presbyterian church at 3:30 p. m., and will be in charge of Wheeling Commandery No. 1, Knights Templar. The Young Men's Democratic Club, of which the deceased was a member, will attend in a body, and the members have been called to meet at the Y. M. D. C. rooms, on the South Side, at 3 o'clock. The interment will take place at the Peninsular cemetery.

THE OPERA HOUSE ORCHESTRA.

A Contributor With Discriminating Taste,
 Comments on Summer Opera.

To the Editor of the Intelligencer.

SIR:—In your excellent notice of the summer opera at Wheeling park Friday evening your reporter omitted the most important feature, unintentionally, I am well assured. The purpose of this note is to call attention to the good work of the Opera House orchestra. If it had not been for the miraculous work done by that incomparable orchestral organization, the performances of the Arion Company, of Zanesville, Ohio, would have been a flat failure. There is no orchestra west of the Alleghenies that can compare with what we have in Wheeling; and as long as they say, "give the devil his due," why not accord the same courtesy to Prof. Spill and his superb musicians, who not only led the singers through the mazes of the score, but frequently waited on their lagging voices? In conclusion allow me to say that without the Opera House orchestra and Prof. Miller, of Zanesville, the name of the company would have been m-u-d without any exception.

READY, BOYS, READY!—THE HUB CLOTHIERS.

**Ready! Boys, Ready!**

Only one week more before school opens to get ready in. You'll have to get about it these next six days in downright earnest.

The boys' eyes will stick out as big as saucers when they see the great high piles of goodies we've got for their comfort and caring. It's LOOKS that captures the boys; QUALITY that wins the parents. We're solid on both sides. Boys are not the least bit particular. You must have SOLID WORTH in school clothes, or they will soon come to grief. We stood on the shoulders of our achievements of last year and reached for all the improvements that had been made. You won't have to come up after them.

We Have Brought Them Down**To the Same Old Prices.**

That's how we progress. It's the quality that gets ahead; the cost stands still. If you don't know just what you want, there is everything here that is worth having. Let the stock talk to you. If seeing is believing, SEEING WILL BE BUYING. In this case the argument of facts is convincing.

With every Suit we give you one of the greatest wonders of the age, the great Multi-form Combination Top. You can make it do almost anything but talk. You can spin it in midair, make it walk the tight-rope, in fact, hundreds of ways to make it spin. \$3 in gold to the boy or girl spinning it the best by October 4.
